Dear Ms. Taylor:

The Hemophilia Association of San Diego County (HASDC) would like to thank you and Sempra Employee Giving Network for your sponsorship in the amount of \$1,000.00 in support of our hemophilia summer camp – Camp Pascucci. Camp is going to be held on July 26-31, 2009.

I've seen first hand the joy on the faces of our campers as they arrive at the camp site located at the YMCA Camp Marston in Julian, California. Your generosity allows for these campers to enjoy a week-long of typical camp activities. In addition to camp activities, campers are also introduced to self-infusion under the supervision of our volunteer medical staff. Learning to self-infuse their clotting factor provides kids affected by bleeding disorders with the priceless gift to gain independence and self-confidence. At Camp Pascucci, children experience all the freedom and happiness of being a kid in a safe and fun environment. Thank you so much for caring.

As a token of appreciation, Sempra Employee Giving Network generosity will be acknowledged on *Bloodlines*, HASDC's official quarterly newsletter. Per your request, a copy will be mailed to you when available.

Kindest regards,

Teresa Ramirez
Executive Director
